INFORMATION FOR PASSENGERS.

Ticket Offices at all important Stations are open 30 minutes before the departure of passenger trains, and passengers are respectfully requested to purchase Tickets before taking seats in the Cars.

Passengers should always procure their tickets at Regular Railroad Ticket Offices, as there are numerous expired, counterfeit and stolen tickets in the hands of unauthorized parties. Railroad Companies are not responsible for lost tickets, therefore all necessary precautions should be taken to prevent their being lost or stolen.

Coupon Tickets to all important points in the United States are on sale at all Coupon Ticket offices, and passengers desiring to purchase the same should, in all cases, designate over which connecting line or lines they desire to travel, as our Agents are instructed to maintain strict neutrality.

Passengers buying Through Tickets should make a memorandum of the "Destination," "By what R. issued," "Class," "Form Number," "Consecutive Number," "and "Date." They should make a memorandum also of the "Number" and "Destination" of their Baggage Checks. This will aid in the recovery of Tickets or Checks if lost or stolen.

Single Trip Tickets of all classes are valid for passage only in the direction printed.

Round Trip Tickets to and from all stations are for sale at greatly reduced rates. These tickets are limited to 30 days from date of sale, and will not be received for passage after the expiration of that time.

Commutation Tickets. Ten and Twenty-five Trip Commutation Tickets are sold between Chicago and the following stations: Hammond, Strathmore, Maynard, Dyer, St. John, Cedar Lake, Palmyra, Creston, Lowell, Shelby, Water Valley and Thayer. These tickets are good for one year from date of issue, and for the person or persons presenting them.

1000 Mile Tickets are sold at the rate of \$25 each, and can be obtained at any Ticket Agent of the Company. These tickets are good for individual use of purchaser, and are limited to one year from date of issue.

Stop-Over Checks, good for 10 days from date, will be issued to passengers holding first-class unlimited tickets, upon application to the Conductor. These checks are not transferable, and will not be accepted for passage after date of expiration.

Personal Baggage, when not exceeding 150 lbs. in weight, will be checked to and from all Stations upon presentation of one full passage ticket; 75 lbs. allowed on half ticket.

Baggage in excess of 150 lbs. will be charged for in accordance with Extra Baggage Tariff furnished Agents, but no piece of Baggage weighing more than 250 lbs. will be received.

Passengers paying Excess Baggage will receive Baggage Ticket, which must be delivered to Agent with Checks when Baggage is claimed.

Storage will be charged on Baggage remaining in baggage room at Chicago over 24 hours, at the rate of 25 cents for the first day or fraction thereof, and 10 cents for each additional day or fraction thereof, for each piece. At Indianapolis and Cincinnati, 10 cents for each day or fraction thereof after 24 hours.

Passengers will be carried on Freight Trains only when provided with tickets. Baggage will not be checked for these trains. Freight trains do not stop at depots or platforms, and persons traveling on Freight trains should understand that they assume all inconvenience and risk in getting to and from the train, and risk of injury while riding thereon. The Company does not wish to have passengers travel on Freight trains, and permits it only as a public accommodation.
