

In 1946, General Manager Frank Cheshire put together a book on the status of the Monon Railroad. This report is 292 pages in five sections, with tons of information on all aspects of operations on the Monon Railroad.

The report is available in CD format or printed copy. The CD requires Adobe Reader 5.0 or higher to read.

The printed copy comes in a soft cover (Tour Book folder) but is suitable to be placed in a 3 ring binder. (Not provided.)

This is a must for the serious Monon Railroad fan. Order you copy today.
